

1. Eligibility

This promotion is available to new enrolments at ACG Early Learning Schools during the promotional period. It applies to all age groups and enrolments regardless of the number of days the child is booked per week. A week is defined as any enrolment within a calendar week, whether for one day or more. Minimum enrolment per week is 2 days (or 3 at ACG Remuera as per their policy)

2. New Enrolments Only

This offer applies only to new families enrolling their child for the first time. Existing families with children already enrolled at ACG Early Learning Schools are not eligible for this promotion, even if they enrol additional children during the promotional period.

3. Future Start Dates

The "Enjoy Four Weeks No Fees" promotion applies to children with confirmed new enrolments during the promotional period, including those who have already been enrolled with a future start date. All new enrolments who apply between October 1st and December 31st 2024, will be eligible for this offer.

4. Limited Spaces

Spaces at the centres are limited. Enrolment is subject to availability, and the promotion will only apply if there is space to accommodate the child during the promotional period.

5. Non-Transferable & No Conjunction with Other Offers

This promotion cannot be transferred or redeemed for cash. Additionally, it cannot be used in conjunction with any other offers, promotions, or discounts currently available at the centres.

6. “Enjoy Four Weeks No Fees” refers to four weeks equivalent to your enrolled period. E.g If you enrol for 3 days per week, your “4 Weeks on Us” is the equivalent – 4 weeks of 3 days per week at no charge.
